

how to

hear from God...

every day!!

GOD TV | RELIANTLESS WOMAN

Welcome!

Hearing God's voice is THE key to having a healthy relationship with Him...and it's not always easy. We've ALL been there... struggling with doubts, not knowing how God actually speaks, and even believing lies about our ability to hear God's voice to begin with. Can you relate?!

That's why we (Lindsy, Kate, Sarah, and Pam from left to right on the cover) have teamed up to share some practical tips for growing in confidence in hearing God's voice. We're here to help YOU...and what we discovered is that it's easier to hear God's voice than we thought. We've got you!

Let's jump right in...

01

**ASK THE HOLY SPIRIT
TO TEACH YOU**

LINDSI'S TIP

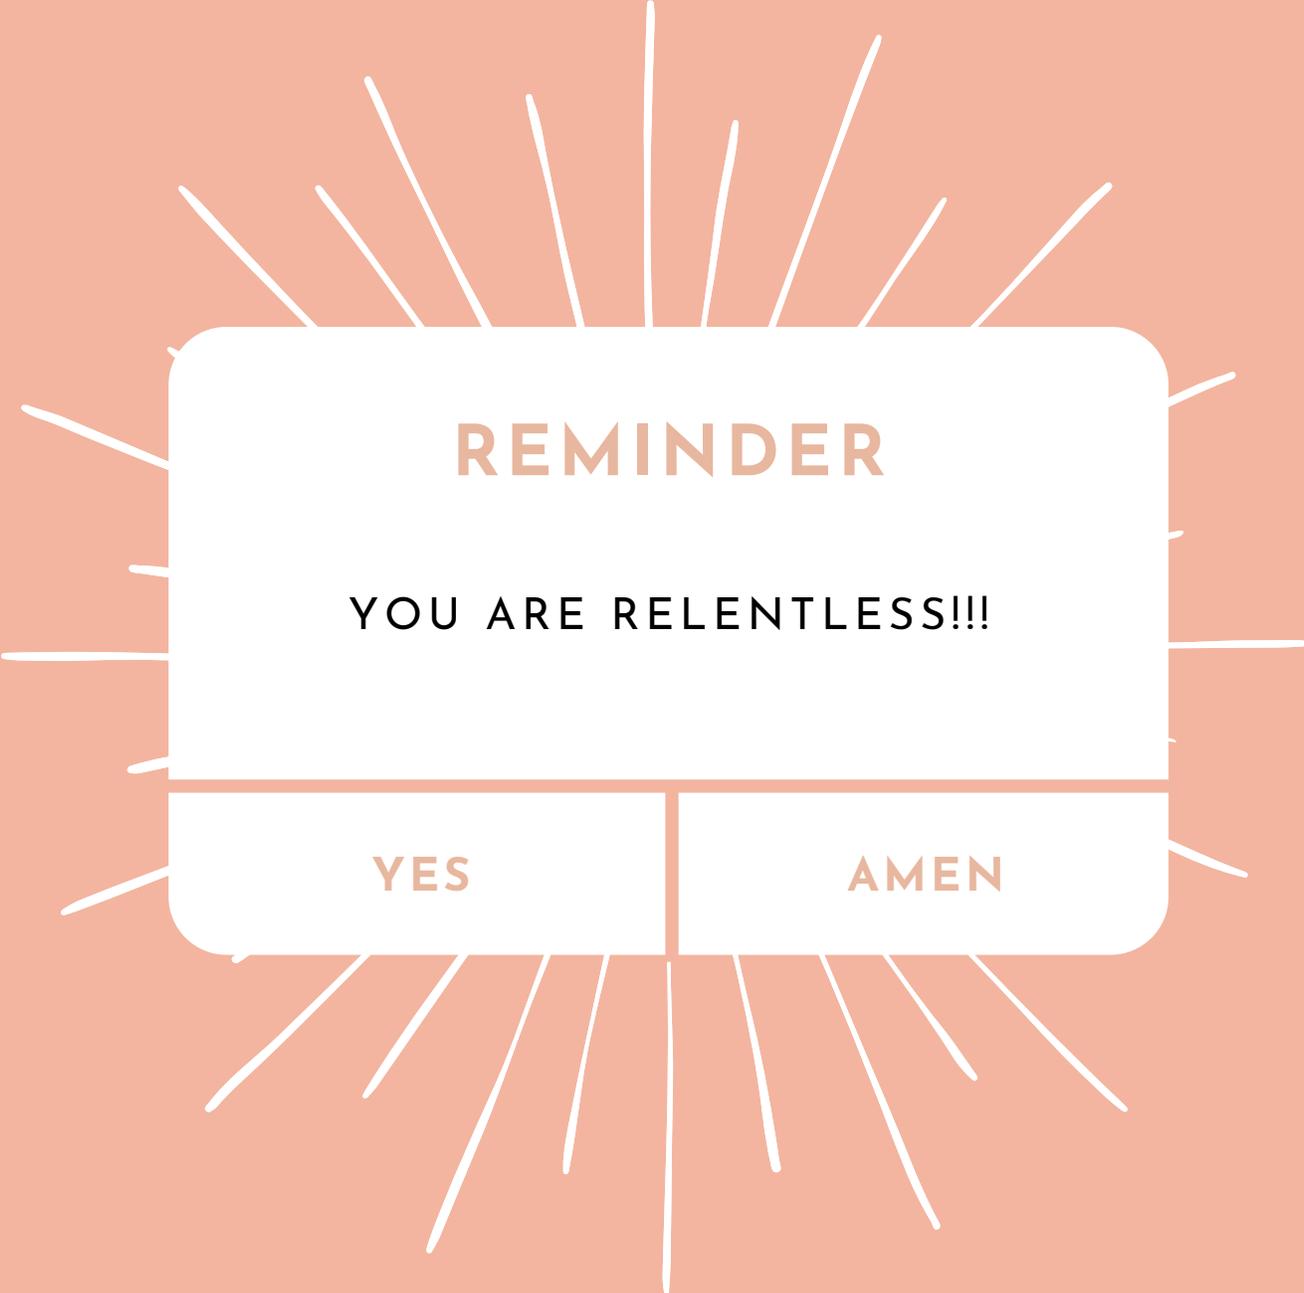

01

Ask the Holy Spirit to teach you

"But the Advocate, the Holy Spirit, whom the Father will send in My name, will teach you all things..." - John 14:26

The first practical tip for hearing God's voice is simply inviting Him to teach you. Jesus promised that when we ask we will receive and that when we seek we will find (Matthew 7:7). This is not a good idea, it's a promise from the King of Kings and Lord of Lords. Therefore, when you go to spend time reading the Bible begin your time by inviting the Holy Spirit to teach you about what you are reading.

Stand on the promise that when you ask Him to teach you, you will receive His instruction. Then have your journal ready as He begins to highlight verses and takes you on an adventure!

02

DRAW NEAR TO GOD

KATE'S TIP

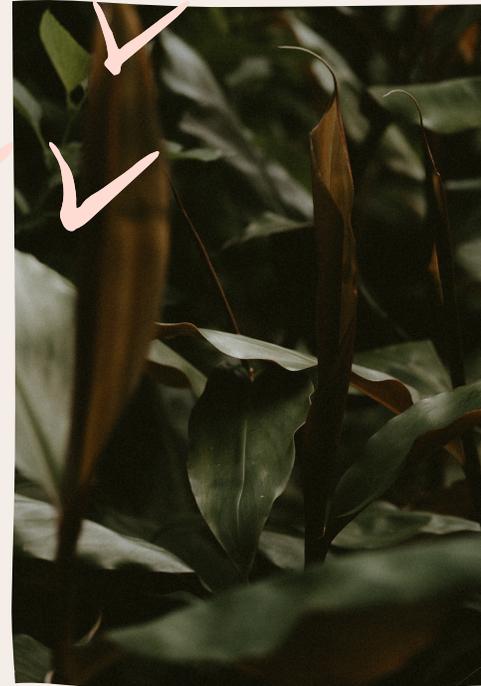

02 Draw near to God

Draw near to God and He will draw near to you. Cleanse your hands, you sinners; and purify your hearts, you double-minded. - James 4:8

Here's the thing, we see in the Bible in James 4:8, that it tells us to draw near to God and He is going to draw near to us. That another promise in the Word of God! The reality is that when you get intentional with God, He shows up. He will not forsake you or leave you. However it is that you're wanting to get intentional with the Lord, He will meet you there. He might be inviting you to experience Him and to hear His voice differently. He might be inviting you to discover Him in a different way. Make time and draw near to Him so that you can hear His voice!

**TAKE TIME TO
LISTEN**

SARAH'S TIP

03

Take time to listen

This is what the Lord says, He who made the earth, the Lord who formed it and established it—the Lord is His name: 'Call to Me and I will answer you and tell you great and unsearchable things you do not know.

- Jeremiah 33:2-3

When we call out to God in prayer, God promises in Jeremiah 33:3 that "I will answer you." We all know that in order to receive a phone call we have to answer the phone and then listen to the other person speaking on the other end. That's how communication works...and you communicate everyday. It works the same way with God. When you open your Bible "call to Him" and ask Him to speak to you through the Word and He "will answer you" (Jeremiah 33:3. In prayer, ask God a question ("call to Him") and then take time to listen for that inner audible voice. Jesus died so you could commune with God, He wants to speak to YOU!

"I believe that the voice of God in my life and in your life and in the life of every believer is the X factor that allows us to thrive no matter what season we're going through and no matter what circumstance we're facing."

SOAK TO WORSHIP MUSIC

PAM'S TIP

04

Soak to worship music

Ask and it will be given to you; seek and you will find; knock and the door will be opened to you - Matt. 7:7

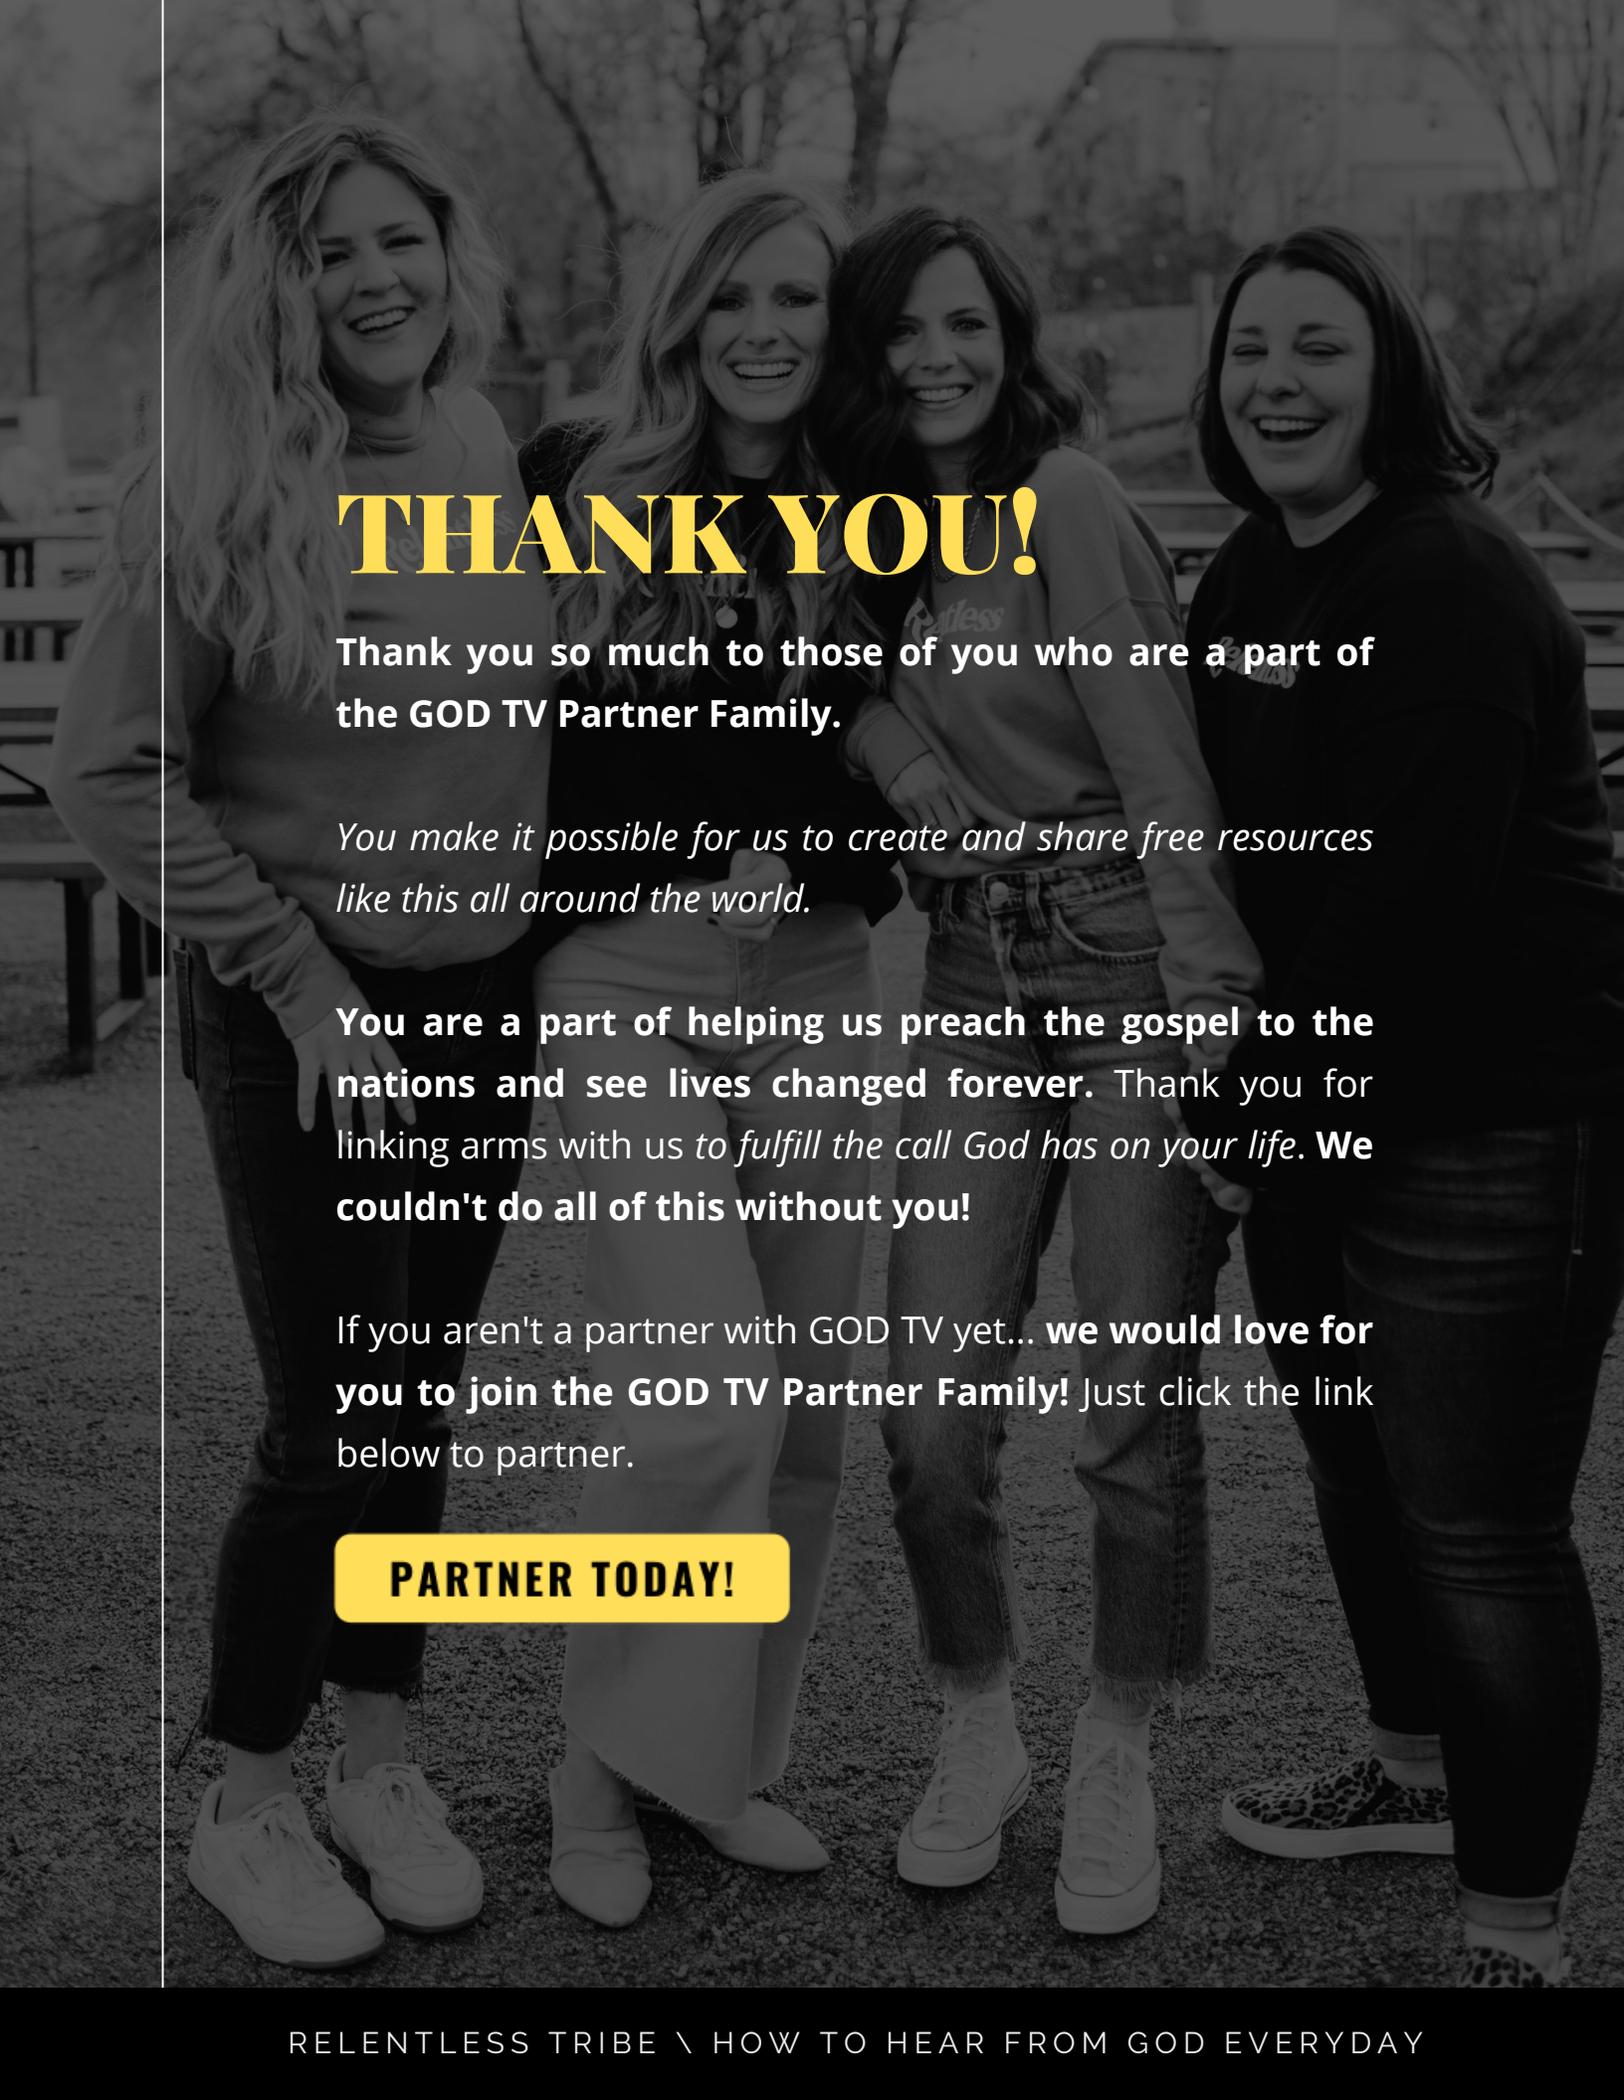

We are promised in Matthew 7:7 that if we seek we will find and soaking to worship music is another practical tip for hearing God's voice every day. If you are not familiar with soaking, think of a sponge. Just like sponges soak up liquid, you were created to soak up the presence of God. Try it today! Simply turn on some instrumental worship music, get comfortable, and be quiet in His presence. As you soak in God's presence open your ears to hear His voice. It's just like spending time with a good friend and listening to what's on their heart. Remember when you seek, you will find Him...everyday!

You've Got This

Wasn't that simple and easy?! Here are the four tips one more time: Ask the Holy Spirit to teach you, draw near to God, take time to listen, and soak to worship music. We're so glad that you've taken this time to invest in your relationship with God. Seriously, if you'll work to incorporate these practical tips you'll be hearing from God all the time. We really believe in you and God does too!!!
