

HOW TO THRIVE IN HARD TIMES

3 SIMPLE STEPS

GOD TV

IT'S TIME TO THRIVE

As women we wear so many hats and often get overwhelmed. God never wanted us to live a life without joy. If we're honest with ourselves, life can get hard sometimes and it's hard to have faith and find hope. None of us have arrived, but the enemy likes to get us to think there is no way out. It's a LIE!!! We want to see you THRIVE and that's why we've created this practical guide - How To Thrive In Hard Times - from Renee Evan's Bible Study Living A Life You Love.

Renee is a powerful, authentic woman of God who has learned to live a life she loves, regardless of circumstance and you're going to get so many practical tips in these next few pages

Enjoy,
Kate and Sarah with GOD TV

HOLD ON TO PEACE

@GODTV

Psalm 23:4 TPT

"Even when Your path takes me through the valley of deepest darkness, fear will never conquer me, for You already have! Your authority is my strength and my peace. The comfort of Your love takes away my fear. I'll never be lonely, for You are near."

HOLD ON TO PEACE

If you are reading this it is safe to say that you have faced a trial, or two, in your life. The reality is that we all face trials because there is sin in the world. But when we walk through trials it is possible to walk through them and come out on the other side hold on to our peace. Why? Because the source of our peace and strength is God; not our situation or circumstance. Jesus, Himself, is the Prince of Peace and He is with us always

THROUGH TRIALS
IN PEACE AND
COME OUT THE
OTHER SIDE."***

***KEEP
WALKING***

@GODTV

Psalm 23:4 TPT

"Even when Your path takes me through the valley of deepest darkness, fear will never conquer me, for You already have! Your authority is my strength and my peace. The comfort of Your love takes away my fear. I'll never be lonely, for You are near."

KEEP WALKING

When you find yourself walking through the "valley of the shadow of darkness" don't set up camp, keep walking! God has a beautiful process that He wants to take us on and He is with us every step of the way.

Whenever you become weary on the journey, lean into Him to find the strength to take the next step and the next step and the next! Let Him love you, even in your pain, for this is where you will find the comfort you need to keep pressing on.

A photograph of four young women walking outdoors on a paved path, laughing and smiling. They are dressed in casual attire: the woman on the far left wears an orange sweatshirt and dark jeans with leopard-print sneakers; the woman next to her has curly hair and wears a white top; the woman in the center has long blonde hair and wears a pink top; and the woman on the far right has dark curly hair, wears a denim jacket over a green shirt and distressed jeans with black boots. A large white semi-circular graphic is overlaid in the center, containing a quote in bold black text.

***ASK
FOR HELP***

@GODTV

Ecclesiastes 4:9-12

"Two are better than one, because they have a good return for their labor...Also, if two lie down together, they will keep warm. But how can one keep warm alone? Though one may be overpowered, two can defend themselves. A cord of three strands is not quickly broken."

ASK FOR HELP

Men often get a bad wrap for not asking for directions, and as women, let's be honest, we're not the best at asking for help. Ladies, we were not designed to go through this life alone. Two are better than one. It's time to stop trying to do things alone!

Romans 10:17 teaches that "faith comes by hearing". Let's put this principle into practice. Repeat this out loud three times...it's ok to ask for help, it's ok to ask for help, it's ok to ask for help!

***"IT'S OK TO
ASK FOR HELP.
WOMEN, THIS IS
LIKE MEN
ASKING FOR
DIRECTIONS."***
