Read Every Day

The first way to study the Bible is to simply read it every day. Matthew 4:4 - But he answered, "It is written, "Man shall not live by bread alone, but by every word that comes from the mouth of God."

In this verse Jesus teaches us that life is found in the words of God. When we read what God has said it will nourish us and bring us life. It's a supernatural mystery! Leep this Book of the law always on your lips meditate oh it day and right JOSHUA!:8

MEDITATE

@GODTV

Meditate

The second way to study the Bible is to mediate on it.

Psalm 1:1-2 - "Blessed is the one who does not walk in step with the wicked or stand in the way that sinners...; but whose delight is in the law of the Lord, and who meditates on his law day and night."

To meditate means to reflect. When we when we read the Word of God it helps us to remember what we've read which makes it easier to live by.

MEMORIZE

Memorize

One other way to study the Bible is to study the Bible is to memorize it. Psalm 119:11 says, "I have hidden your word in my heart that I might not sin against you."

When we memorize scripture it is an effect way to hide it in our hearts and make it a part of who we are and how we live.

In the beginning was the Nord, and the Nord was with yod, and the Nord was you.

Prayer Time

Lord, I ask that You would give me wisdom and revelation to know You more (Ephesian 1:17) and a hunger to spend time in Your Word.

Holy Spirit, teach me and lead me into all Truth. My sole desire is that I might bring glory to Your name, amen!
