GOD TODAY

(Infocking the FRUIT OF THE SPIRIT

"But the fruit of the Spirit is love, joy, peace, long suffering, kindness, goodness, faithfulness, 23 [g]gentleness, selfcontrol. Against such there is no law." - Galatians 5:22-23 The fruit of the Spirit are the attributes of God that help form our character. They also take intentional effort to develop in our lives...after all, fruit is grown!

The main thing that you'll want to take away from this teaching is that everything - yes, everything - starts from love. and builds on from there. It's time to unlock the the fruit of the Spirit in your life so you can live the abundant life Jesus purchased on the cross!

Everything Flows From Love

The very first fruit of the Spirit is love and love is mentioned in the Scriptures constantly. It is one of the most important things we could ever step into. Galatians 5:22-23 says the fruit of the Spirit is love...and then it's peace...and then it's patience...and then it's kindness. Look at this as a little bit of a formula. Normally you wouldn't want to look into formulas in the Scriptures, but sometimes God actually puts things in there for a purpose. The fruit of the spirit is love. If you can actually partner with the love of the Lord, if you can receive the love of Jesus, if you can say, Jesus, would You just love me today? You can receive that. If you can ask for it, I guarantee you He's going to pour it out on you every single time...every single time.

"

If you can actually partner with the love of the Lord, if you can receive the love of Jesus, if you can say,

Jesus, il you can say, Jesus, would You just love me today? I guarantee you He's going to pour it out on you every single time.

Stepping Into More Fruit

The fruit of love leads to joy. When you're feeling loved, when there is an overflow of love in your life, it is easy ito step into joy. Then right on the other side of love is joy. Then on the other side of joy is peace. When you'e filled with joy it can feel like, "Wow, why did my world get easier and better? Why do things not feel so extreme right now?" On the other side of that is patience. When you're filled with Your joy and walking in God's peace it's so much easier to get through your day. It's progressive. God's love, then God's joy , then God's peace comes... Next patience comes, and when we are patient we are more kind. Doesn't all this sound better than stress, anxiety, and depression?!?!! Living from the fruit of the Spirit is life changing!

"

I pray that you are filled with the fruit of the Spirit and that fruit would multiply in your life.

When The Goodness Comes...

After we get into the fruit, goodness then faith comes. When we're filled with faith we have boldness to share the Good News with others. Then gentleness comes in and we're able to minister to others with the love of God because that fruit is working in our lives. After that self-control comes in and all the junk, all the worry in your life, you'll forget about it. It won't matter anymore because you're filled with God's love and His peace and His patience.

What if we operated out of the fruit of the Spirit instead of saying, "I need this today, or I need that today."? What if we began to ask," Lord, would You come in and cover me in Your love? Your joy? Your self-control?" You can be guaranteed that your life would be different!.

Prayer Time

Holy Spirit, we ask you to come, for You are my Counselor, Comforter, and Guide! Thank You that You promise to lead me into all Truth (John 16:13) and empower me with Your resurrection power that lives inside of me (Romans 8:11). Holy Spirt, I know that everything I do is supposed to flow from love so I ask that You would encounter me with Your powerful, unconditional love right now...and from this place would You empower me to love my neighbor with the fruit of the Spirit, just as You have loved me, in Jesus' name, amen.
